

#### **Sec. 4-16. General Auto Repair Businesses.**

- (1) General auto and other motor vehicle repair operations shall be conducted within fully enclosed buildings.
- (2) There shall be no open storage of junked vehicles, dismantled parts, scrap parts, or other salvage material.
- (3) Any vehicle or trailer subject to State licensing, including any disabled vehicles, shall be parked or stored within an enclosed building or parked within an enclosed area that cannot be viewed from the street or residential property.
- (4) All activities and stored materials not within fully enclosed buildings shall be enclosed by a wood or masonry fence or wall excluding points of ingress or egress at least eight (8) feet in height. Slatted chain link is not acceptable.
- (5) Servicing shall be conducted in an area that can be cleaned without environmental damage.
